

BRIGHT SOURCE

Lemaître

The Lemaître is a tilt version of the Bright Source Kopal. It is also one of the most versatile fire-rated LED downlights on the UK market. Offering switchable power options (8-watt or 10-watt), a choice of magnetic bezels and selectable colour temperature. The colour temperature can be changed via a front mounted switch, located under the magnetic bezel, meaning this can easily be switched after installation.

Luminaire

- **Beam Angle-** 60 degrees
- **Construction-** Aluminium / Steel / Polycarbonate
- **Colour Finish Options-** White, Brushed Steel, Polished Chrome, Matt Black, Antique Brass, Gunmetal, Brass
- **Fire Rating-** BS476-21 30/60/90 min
- **IP Rating-** IP65 (with Bezel)
- **IK Rating-** IK07
- **Working Temperatures-** -30°C to +35°C
- **Warranty-** 5 years

- **Control Options-** DALI, 1-10V, Casambi
- **Mounting Options-** Recessed

Light Source

- **LED Chip Type and Manufacturer-** Ebright SMD2835
- **Colour Temperature-** 3-CCT Switchable
- **SDCM-** 4
- **CRI-** >80
- **Lifetime-** 50,000 Hours
- **L Value-** L70 B50 @ 50,000 Hours

Power

- **Input Supply-** 220-240 50/60Hz
- **Efficacy-** 100-110lm/W
- **Energy Rating-** F
- **Driver Manufacturer-** Bright Source

Product Code	LEM/64/SW/3CCT/60	
Dimensions	56mm x 100mm x 100mm	
Wattage (Switchable Power)	8W	10W
Lumen Output (Colour Temperature Dependant)	800lm-880lm	1000lm-1100lm
