

BRIGHT SOURCE

Alphonsi

The Alphonsi offers a directional LED option thanks to the adjustable, tilting light modules. Suitable for use in high mounting applications, particularly in warehouses, storage aisles and work areas, the Alphonsi is supplied with two hanging brackets, two x 1 metre lengths of chain and a carabiner. With a steel construction and polycarbonate panel, the Alphonsi is built to last.

Luminaire

- **Beam Angle-** 100 degrees
- **Construction-** Steel/Polycarbonate Panel
- **Colour Finish Options-** White
- **IP Rating-** IP20
- **IK Rating-** IK06
- **Working Temperatures-** -40°C to +50°C
- **Warranty-** 5 Years

Luminaire

- **LED Chip Type and Manufacturer-** Lumileds 2835
- **Colour Temperature-** 5000K
- **SDCM-** <6
- **CRI-** >80
- **Lifetime-** >50,000 Hrs
- **L Value-** L90 B10 @ 50,000 hours

- **Control Options-** Non Dim, Mains Dim, DALI, Casambi, PIR
- **Mounting Options-** Suspended

Power

- **Input Supply-** 00-240VAC 50/60Hz
- **Efficacy-** 135lm/W
- **Driver Manufacturer-** SOSEN
